FUEL TRACKS

— Smart Solutions. Accurate Tracking. Better Drilling. —

ACCURATE
RELIABLE
TOUGH

BUILT FOR
BORE WELLS

BORE WELL ROD COUNT SOLUTION

COUNT EVERY ROD. MAXIMIZE EVERY METER.

Advanced digital rod counting system designed for bore well drilling to deliver accurate, real-time rod count with high reliability in every condition.

ACCURATE ROD COUNT

High precision counting for every single rod.

REAL-TIME DISPLAY

Instant digital display for forward, reverse & previous rod timing.

DURABLE & RELIABLE

Built tough to withstand harsh bore well working conditions.

EASY TO INSTALL & USE

Simple setup and user-friendly operation for smooth workflow.

IMPROVE PRODUCTIVITY

Reduce downtime, eliminate manual errors and save time.

BETTER
